Limited English Proficiency Plan

Lura Turner Homes, Inc.

Limited English Proficiency Plan

Lura Turner Homes, Inc. has developed the following Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to Lura Turner Homes, Inc. services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates. In developing the plan while determining the Lura Turner Homes, Inc. extent of obligation to provide LEP services, the Lura Turner Homes, Inc undertook a U.S. Department of Transportation four-factor LEP analysis which considers the following:

- 1) The number or proportion of LEP persons eligible in the Lura Turner Homes, Inc. service area who may be served or likely to encounter by Lura Turner Homes, Inc. program, activities, or services.
- 2) The frequency with which LEP individuals come in contact with Lura Turner Homes, Inc. services.
- 3) The nature and importance of the program, activities or services provided by the Lura Turner Homes, Inc. to the LEP population.
- 4) The resources available to Lura Turner Homes, Inc. and overall costs to provide LEP assistance. A brief description of these considerations is provided in the following section.

Every effort will be made to provide vital information to LEP individuals in the language requested.

Safe Harbor Provision

Lura Turner Homes, Inc. complies with the Safe Harbor Provision, as evidenced by the number of documents available in the Spanish language. With respect to Title VI information, the following shall be made available in Spanish:

- (1) Title VI Notice
- (2) Complaint Procedures
- (3) Complaint Form

In addition, we will conduct our marketing (including using translated materials) in a manner that reaches each LEP group. Vital Documents include the following:

- (1) Notices of free language assistance for persons with LEP
- (2) Notice of Non-Discrimination and Reasonable Accommodation

Non-elected Committees Membership Table

A subrecipient who selects the membership of transit-related, non-elected planning boards, advisory councils, or committees must provide a table depicting the membership of those organizations broken down by race. Subrecipients also must include a description of the efforts made to encourage participation of minorities on these boards, councils, and committees.

Table Depicting Membership of Committees, Councils, Broken Down by Race

Body	Caucasian	Latino	African American	Asian American	Native American

Lura Turner Homes, Inc. does NOT select the membership of any transit-related committees, planning boards, or advisory councils.

Monitoring for Subrecipient Title VI Compliance

- Lura Turner Homes, Inc. does not monitor subrecipients for Title VI Compliance.

Title VI Equity Analysis

A subrecipient planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. "Facilities" in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

Note: Even if facility construction is financed with non-FTA funds, if the sub recipient organization receives any FTA dollars, it must comply with this requirement.

Lura Turner Homes, Inc. has no current or anticipated plans to develop new transit facilities covered by these requirements.
